

Launched in 1927 by Nicholas Cimaglia, Milady® has a 90% market share of beauty and wellness learning solutions for schools in the U.S. as well as a wide reach globally. To date, Milady has aided 10 million students in achieving their licensure.

The Milady brand offers entrée to the 1.3 million person market of licensed beauty professionals in the United States. A partnership with the Milady brand can help your business grow, by providing new revenue streams, boosted earnings, premium pricing, new customer reach and greater sales to existing customers. The Milady brand offers you a competitive advantage in the market and carries with it the reputation of the most respected brand in the business.
